The screenshot shows a web browser window with the URL `myc-smart-coffee-front.vercel.app/procesos`. The page title is "Coffee Trace" and the navigation menu includes "Registro de Cultivo", "Procesos", "Empaque", and "Historial". The main content area is titled "Registro de Procesos" and contains the following sections:

- Tipo de Beneficiado:** Radio buttons for "Seco" and "Húmedo".
- Etapas del Proceso:**
  - Fermentación:** Input fields for "Tiempo (horas)" and "Temperatura (°C)".
  - Secado:** A dropdown menu for "Método" and an input field for "Tiempo (horas)".
  - Tostado:** A dropdown menu for "Nivel" and an input field for "Temperatura (°C)".
- Control de Calidad:** Three checkboxes: "Control de Humedad", "Control de Defectos", and "Prueba de Catación".

At the bottom of the form is a green "Guardar Proceso" button. Below the form, there are two floating buttons: "Calendario" and "Log in to interact".
